EDUCATION

- 🌟 **2021-2022** HIGHER
SECONDARY(12TH)
Percentage:78
- 🌟 **2022-2025**
MADURAI KAMARAJ UNIVERSITY
Bachelor Of Computer Science
Percentage:60

TECHNICAL SKILLS

🌟 CORE PYTHON AND CONCEPTS

- Strong knowledge of data types File handling, OOP, Modules and
- Packages, functions.
- Critical Thinking
- Hard working

🌟 MS excel

- Basic knowledge like Data Entry, Analysis And
- Reporting Tasks.

PROJECTS

IMAGE STEGANOGRAPHY

- Implemented techniques to conceal data within digital images, focusing on Least Significant Bit (LSB) manipulation for secure and imperceptible information embedding.
- Built using HTML, CSS, Java Script and Django
- Responsible for encrypting the data before embedding it into the cover image.algorithm such as AES(advanced encryption standard), DES(data encryption standard), or RSA(rivest-shamir-adleman).
- parameters such as encryption key, initialization (IV), encryption mode eg. (CBC,ECB) are handled by this module.
